Cyclo Cross

Barking & Dagenham Scouts

invite you to

Cyclo Cross 1st December 2007

at

Crow Camp
Chequers Road
Noak Hill
Romford

This event costs the district around

£75

All donations are welcome

Event Rules

The Cyclo Cross is a series of basic races across rough terrain. The event is usually held at Crow Camp which is a secluded Scout campsite with some very suitable open ground, hills and slopes.

Trophies

There are two trophies. One for Individuals and another, Troop, trophy.

The Individual Trophy is normally awarded to the fastest Scout over a series of races.

The Troop trophy is awarded to the Troop who is best represented on the day. Those Scouts who come in the top positions earn their Troop some points on a sliding scale, and those Scouts who simply attend still earn their Troop points.

Safety

The bikes will be checked before they are used. Cycle helmets must be worn when racing (those individuals who have forgotten to bring one may borrow one for a race). The course will be set up and staffed by marshalls throughout its length and trained first aiders will be on hand at all times.

Transport

District normally hire a van to transport bikes and will arrange pick up and drop off points. However, this service is ONLY available to those Troops who have returned their numbers by the stated deadline (which is normally the SL meeting before the event). Otherwise Troops and individuals must make their own way there and back.

Times

Meet at: (venue)

at: (time)

Arrive back at: (venue)

at approx.: (time)

Bikes

- Bikes must be in good working order and well maintained
- Bikes will be riding over rough ground and conditions may be muddy
