3. All entries should be marked with the Beaver's name, Scout group/Colony name and age group on the back or underside of the work
4. Exhibits must have been made in the last nine months
5. Every item entered must be the Beaver's own work
6. All items must conform to the size limits.

Any entries found not conforming to the rules or the spirit of the competition & scouting may be disqualified.

Notes

We would be grateful if you could leave your entries on the Friday. This will enable the District team to arrange and display them ready for judging in the morning.

Please clearly mark the entries with the correct age group...Either Group A or Group B. Please do **not** mark the child's age in years.

An A4 footprint means that the item should fit onto a sheet of A4 paper **without affecting other exhibits** nearby or overhanging the paper base (i.e. it must be approximately 21 cm width x 30 cm length x 30 cm height)

Please find the time to visit the exhibition on the Saturday. Anyone may view the exhibits and all are invited to stay and support their group when the certificates, awards and trophies are presented.
