Are their staff trained? Is it safe?

All their staff go through a rigorous selection process where they are carefully police checked and fully trained. They will also have a thorough grounding in singing, dancing, street theatre and presentation skills. All their building and equipment are safety checked to the highest European standards. The equipment is manufactured and maintained in accordance with stringent national health and safety standards. Their equipment undergoes safety inspections on a daily basis.

“At Kidspace our first priority is the safety of all our young visitors. Everyone who visits Kidspace has to register to join our free family membership card scheme. By knowing who comes through the door we can keep Kidspace safe and secure.”
