This years competition was quite close .

Not only was the technical standard high but the show of sportsmanship and 'scouting spirit' stood out too.

The two highest scoring Cubs from each league went on to a 'final' league where the best played the best.

Thanks to the 17<sup>th</sup> for hosting the event and keeping us 'refreshed', to the judges who had a very difficult job, to the leaders who helped out and most importantly of all to the Cubs who made the competition run so well.
