

# Nights Away Notification

This form provides the information a Commissioner requires to **APPROVE** an event to take place (i.e. POR 9.1b/9.1c). Each group attending a Nights Away event (even a County or District event) will need to submit this information. For all Nights Away experiences all of the information below should be with Rosemary Oakwell (Nights Away Adviser) or Jill May (if Rosemary is unavailable) **3 WEEKS** before the event.

For all Nights Away held at facilities not owned or operated by Scouting, such as public or commercial campsites and youth hostels, the host District Commissioner <sup>(Note 1)</sup> must also receive a copy of the information, normally this should be **FOURTEEN** days before the event. Where an expedition is taking you across a number of Districts or Counties this information should be sent to the County Secretary(s) instead.
